SUBJECT INDEX*

A

Abdominal aortic reconstruction
Abdominal aortic surgery: Prevention of lower limb ischemia (Imparato), 112
Myocardial ischemia (Hertzer), 97
Prevention of intestinal ischemia following abdominal aortic reconstruction (Ernst), 102
Renal failure following abdominal aortic reconstruction (Bush), 107
Spinal cord ischemia in surgical procedures with temporary clamping of the abdominal aorta (Szilagyi), 110
Symposium: Prevention of complications of abdominal aortic reconstruction—Introduction (Crawford), 91

Abdominal aortic thrombotic occlusion
Response of an abdominal aortic thrombotic occlusion to local low-dose streptokinase therapy (Cunningham et al), 541

Abdominal arterial surgery
Reoperative abdominal arterial surgery—A ten-year experience (Fulenwider et al), 20

Abdominal hysterectomy
Double-blind trial of perioperative intravenous metronidazole prophylaxis for abdominal and vaginal hysterectomy (Vincelette et al), 185

Abdominal wall
Comparative evaluation of synthetic meshes used for abdominal wall replacement (Lamb, Vitale, Kaminski), 643

Actinomycotic aneurysm
Ruptured actinomycotic aneurysm of the splenic artery: Case report of successful resection (Kakkasseril, Cabanas, Saba), 595

Adenocarcinoma
Adenocarcinoma of the colon and rectum in the adolescent (Goldthorn, Powars, Hays), 409

Allografts, insulinoma
Transplantation of rat insulinoma allografts with cyclosporin A (Cance, Vervaert, Seigler), 279

Amino acids
Adaptation to amino acid infusion in patients undergoing operation (Daly et al), 512
Metabolism of branched-chain amino acids in dogs with *Escherichia coli* endotoxin shock (Groves et al), 273

Amylase
Pancreatitis and isoenzyme patterns of amylase (letter) (Collins and Spittlehouse), 845; Reply (Weaver, Bouman, Walt), 845

Anaerobic infection
See Metronidazole

Anal fistula
Management of high recurrent anal fistula (Oh), 330

Anesthesia
Effect of halothane anesthesia on platelet aggregation in vivo: Decreased deposition on polytetrafluoroethylene arterial grafts in dogs (Cambria et al), 752
Plasma β-endorphin immunoreactivity in dogs during anesthesia, surgery, *Escherichia coli* sepsis, and naloxone therapy (Rees et al), 386

Aneurysm
Aneurysms of the internal iliac artery (Perdue et al), 243
Arteriomegaly: Classification and morbid implications of diffuse aneurysmal disease (Hollier et al), 700
Dilation of knitted Dacron aortic prostheses and anastomotic false aneurysms: Etiologic considerations (Clagett et al), 9
Evaluating the size of an aneurysm (Gaylis), 324
Extracranial carotid artery aneurysms (Welling et al), 319
Isolated iliac artery aneurysms (McCready et al), 688
Limb-threatening potential of arteriosclerotic popliteal artery aneurysms (Whitehouse et al), 694
Ruptured actinomycotic aneurysm of the splenic artery: Case report of successful resection (Kakkasseril, Cabanas, Saba), 595

Angelchik prosthesis
Disruption and migration of an Angelchik esophageal antireflux prosthesis (Pickleman), 467

Angioplasty
Percutaneous transluminal angioplasty (letter) (Pfeiffer), 479

Antibiotics
See Metronidazole

Aortic prostheses
Dilation of knitted Dacron aortic prostheses and anastomotic false aneurysms: Etiologic considerations (Clagett et al), 9

Aortofemoral graft
Management of the occluded aortofemoral graft limb (LeGrand et al), 818

Aortoiliac system
Hemodynamic evaluation of the aortoiliac system based on pharmacologic vasodilatation (Flanigan et al), 709

Appendectomy
Prophylactic metronidazole in appendectomy: Double-blind controlled trial (Keiser et al), 201

Arterial emboli
Embolectomy or heparin therapy for arterial emboli? (Gregg et al), 377

Arterial injury
Arterial injuries with lower extremity fracture (Flint and Richardson), 5
Radiation-induced arterial injuries (McCready et al), 306

Arterial surgery
Reoperative abdominal arterial surgery—A ten-year experience (Fulenwider et al), 20

Arterial thrombosis
Selective infusion of streptokinase for arterial thrombosis (Rush et al), 828

Arteriomegaly
Arteriomegaly: Classification and morbid implications of diffuse aneurysmal disease (Hollier et al), 700

Arteriosclerotic aneurysm
Limb-threatening potential of arteriosclerotic popliteal artery aneurysms (Whitehouse et al), 694

Arteriovenous fistula
Left gastric arteriovenous fistula after selective distal splenorenal shunt (González et al), 510

Ascites
Chylous ascites in infants and children (Unger and Chandler), 455
New approach to management of malignant ascites with a streptococcal preparation, OK-432. I. Improvement of host immunity and prolongation of survival (Torisu et al), 357
New approach to management of malignant ascites with a streptococcal preparation, OK-432. II. Intraperitoneal inflammatory cell-mediated tumor cell destruction (Katano and Torisu), 365
Subcutaneous cancer growth complicating peritoneovenous shunting of malignant ascites (Berger and Goldberg), 374

Atherosclerosis
Progression of atherosclerosis in diabetics (Bendick et al), 834

Autogenous graft
Autogenous graft replacement of infected prosthetic grafts in the femoral position (Seeger et al), 39
Generalized primary parathyroid hyperplasia: Studies of the evolution of autogenous parathyroid graft function (Mallette et al), 254

B

Bacteremia
Immunotherapeutic modification of *Escherichia coli*–induced experimental peritonitis and bacteremia by glucan (Williams, Browder, Di Luzio), 448

Bacteria
Mode of action of metronidazole on anaerobic bacteria and protozoa (Müller), 165

Balloon embolectomy catheters
Balloon embolectomy catheters in small arteries. III. Surgical significance of eccentric balloons (Dobrin and Jorgensen), 402
Balloon embolectomy catheters in small arteries. IV. Correlation of shear forces with histologic injury (Jorgensen and Dobrin), 798

Barium enema
Campylobacter colitis mimicking colonic cancer during barium enema examination (Doberneck), 508

Bile
Effects of bile acid and salicylate on isolated surface and glandular cells of rabbit stomach (Tanaka and Fromm), 660
Role of bile salts and trypsin in the pathogenesis of experimental alkaline esophagitis (Salo and Kivilaakso), 525

*January, pp. 1-234; February, pp. 235-356; March, pp. 357-480; April, pp. 481-602; May, pp. 603-730; June, pp. 731-858.

Bile duct
Common bile duct complications of pancreatitis: Evaluation and treatment (Gadacz et al), 235
Methods of repair of noncircumferential bile duct defects (Rutledge), 333
Sphincter incompetence caused by common bile duct stones (Lary and Meier), 538
Biliary sump syndrome
Endoscopic sphincterotomy for the treatment of biliary sump syndrome (Tanaka, Ikeda, Yoshimoto), 264
Bloat syndrome
Gas bloat syndrome (letter) (Ovnat, Peiser, Charuzi), 725
Blood flow
Somatostatin-induced cholestasis can be independent of portal blood flow (Kortz et al), 649
Blood supply
Arterial blood supply of the left lobe of the canine pancreas. I. Anatomic variations relevant to segmental transplantation (van Schilfgaarde et al), 545
Arterial blood supply of the left lobe of the canine pancreas. II. Electromagnetic flow measurements (Gooszen et al), 549
Blue toe syndrome
Blue toe syndrome—Warning sign of unsuspected vascular injury (Roon and Sauvage), 722
Bowel
Antibiotic prophylaxis in large bowel surgery: Results of a controlled clinical trial (Marti and Auckenthaler), 190
Proximal diverting jejunostomy for compromised small bowel (Mulholland and Delaney), 443
Brain
Cognitive improvement after extracranial reconstruction for the low flow–endangered brain (Jacobs et al), 683
Branched-chain amino acids
Metabolism of branched-chain amino acids in dogs with *Escherichia coli* endotoxin shock (Groves et al), 273
Burn
Postburn immunosuppression in an animal model: Monocyte dysfunction induced by burned tissue (Hansbrough et al), 415
Bypass grafts
Femoropopliteal composite bypass grafts (letter) (Snyder et al), 729; Reply (LaSalle et al), 729

C

Campylobacter
Campylobacter colitis mimicking colonic cancer during barium enema examination (Doberneck), 508
Cancer
Campylobacter colitis mimicking colonic cancer during barium enema examination (Doberneck), 508
Cancer in cadaver kidney transplant patients (Birkeland), 504
Effect of perioperative low-dose heparin administration on the course of colon cancer (Kohanna et al), 433
Subcutaneous cancer growth complicating the peritoneovenous shunting of malignant ascites (Berger and Goldberg), 374
Carcinogenicity
Toxicologic evaluation of metronidazole with particular reference to carcinogenic, mutagenic, and teratogenic potential (Roe), 158
Cardiac cryosurgery
Cardiac cryosurgery: Effects of myocardial temperature on cryolesion size (Holman et al), 268
Cardiovascular disease
Prostaglandins and cardiovascular disease—Review (Jacobsen), 564
Cardiovascular function
Modulation of cardiovascular function and platelet survival by endogenous prostacyclin released during surgery (Krausz et al), 554
Carotid artery
Computerized multiplanar imaging and lumen area plotting for noninvasive diagnosis of carotid artery disease (Miles et al), 676
Critical manipulable variables of hemispheric low flow during carotid surgery (String and Callahan), 46
Etiologic factors for recurrent carotid artery stenosis (Clagett et al), 313
Extracranial carotid artery aneurysms (Welling et al), 319
Improving predictive value of complementary tests in carotid artery disease (Kerstein), 54
Carotid artery, contd.
Minisymposium: Unusual problems in carotid surgery. Overview (Wylie), 297
Relation of carotid stump pressure to safety of carotid artery ligation (Ehrenfeld, Stoney, Wylie), 299
Carotid endarterectomy
External carotid endarterectomy: Indications, operative technique, and results (Lamberth), 57
Safe intraluminal shunting during carotid endarterectomy (Bandyk and Thiele), 260
Vessel wall and indium-111-labelled platelet response to carotid endarterectomy (Lusby et al), 424
Catecholamine
Catecholamine excretion and thermogenesis: Reply (letter) (Elwyn et al), 121
Catheter
Balloon embolectomy catheters in small arteries. III. Surgical significance of eccentric balloons (Dobrin and Jorgensen), 402
Balloon embolectomy catheters in small arteries. IV. Correlation of shear forces with histologic injury (Jorgensen and Dobrin), 798
Catheter-related sepsis during parenteral nutrition (letter) (Sitges-Serra, Puig, Jaurrieta), 479
Channel syndrome, common
Common channel syndrome—Diagnosis with endoscopic retrograde cholangiopancreatography and surgical management (Okada et al), 634
Cholangiohepatitis
Recurrent oriental cholangiohepatitis (Turner and Hori), 397
Cholangiopancreatography
Common channel syndrome—Diagnosis with endoscopic retrograde cholangiopancreatography and surgical management (Okada et al), 634
Cholecystokinin
Correlation of release and actions of cholecystokinin in dogs before and after vagotomy (Fried et al), 786
Cholestasis
Somatostatin-induced cholestasis can be independent of portal blood flow (Kortz et al), 649
Chylous ascites
Chylous ascites in infants and children (Unger and Chandler), 455
Cimetidine
Cimetidine and gastroduodenal ulceration (letter) (Hussey), 122
Clindamycin
Double-blind comparison of metronidazole plus gentamicin and clindamycin plus gentamicin in intra-abdominal infection (Kirkpatrick et al), 215
Prospective, randomized comparison of metronidazole and clindamycin, each with gentamicin, for the treatment of serious intra-abdominal infection (Canadian Metronidazole-Clindamycin Study Group), 221
Cognition
Cognitive improvement after extracranial reconstruction for the low flow–endangered brain (Jacobs et al), 683
Colectomy
Endorectal pull-through operation in adults after colectomy and excision of rectal mucosa (Handelsman et al), 247
Colitis
Campylobacter colitis mimicking colonic cancer during barium enema examination (Doberneck), 508
Colloid osmotic pressure
Short-term effects of increasing plasma colloid osmotic pressure in patients with noncardiac pulmonary edema (Sibbald et al), 620
Colloid versus crystalloid therapy
Cost versus efficacy of treatment (letter) (Sade), 355; Reply (Munoz), 355
Colon
Adenocarcinoma of the colon and rectum in the adolescent (Goldthorn, Powars, Hays), 409
Campylobacter colitis mimicking colonic cancer during barium enema examination (Doberneck), 508
Effect of perioperative low-dose heparin administration of the course of colon cancer (Kohanna et al), 433
Metronidazole as a prophylactic agent in wound infection after colon surgery (Hinchey, Richards, Prentis), 197
Prophylactic antibiotics in elective colon surgery (Bell, Smith, Murphy), 204

Common bile duct
Common bile duct complications of pancreatitis: Evaluation and treatment (Gadacz et al), 235
Common channel syndrome
Common channel syndrome—Diagnosis with endoscopic retrograde cholangiopancreatography and surgical management (Okada et al), 634
Computerized multiplanar imaging
Computerized multiplanar imaging and lumen area plotting for noninvasive diagnosis of carotid artery disease (Miles et al), 676
Congenital diaphragmatic hernia
Congenital diaphragmatic hernia: Immediate preoperative and postoperative oxygen gradients identify patients requiring prolonged respiratory support (Manthei, Vaucher, Crowe), 83
Cryolesion
Cardiac cryosurgery: Effects of myocardial temperature on cryolesion size (Holman et al), 268
Cutaneous melanoma
Cutaneous malignant melanoma: Current views on pathogenesis, diagnosis, and surgical management (Adam and Efron), 481
Cyclosporin A
Transplantation of rat insulinoma allografts with cyclosporin A (Cance, Vervaert, Seigler), 279

D

Dacron aortic prosthesis
Dilation of knitted Dacron aortic prostheses and anastomotic false aneurysms: Etiologic considerations (Clagett et al), 9
Diabetes
Factors associated with development of foot lesions in the diabetic (Delbridge, Appleberg, Reeve), 78
Progression of atherosclerosis in diabetics (Bendick et al), 834
Dialysis
Metronidazole kinetics in dialysis patients (Kreeft, Ogilvie, Dufresne), 149
Diaphragmatic hernia
Congenital diaphragmatic hernia: Immediate preoperative and postoperative oxygen gradients identify patients requiring prolonged respiratory support (Manthei, Vaucher, Crowe), 83
Duodenal fistula
Lateral duodenal fistulas (letter) (Pertkiewicz), 354

E

Electromagnetic flow measurement
Arterial blood supply of the left lobe of the canine pancreas. II. Electromagnetic flow measurements (Gooszen et al), 549
Embolectomy
Balloon embolectomy catheters in small arteries. III. Surgical significance of eccentric balloons (Dobrin and Jorgensen), 402
Balloon embolectomy catheters in small arteries. IV. Correlation of shear forces with histologic injury (Jorgensen and Dobrin), 798
Embolectomy or heparin therapy for arterial emboli? (Gregg et al), 377
Employment
Employment following peripheral vascular surgery: Increasingly critical issue (Glickman et al), 50
Endarterectomy, carotid
External carotid endarterectomy: Indications, operative technique, and results (Lamberth), 57
Safe intraluminal shunting during carotid endarterectomy (Bandyk and Thiele), 260
Vessel wall and indium-111-labelled platelet response to carotid endarterectomy (Lusby et al), 424
Endogenous prostacyclin
Modulation of cardiovascular function and platelet survival by endogenous prostacyclin released during surgery (Krausz et al), 554
Endorectal pull-through
Endorectal pull-through operation in adults after colectomy and excision of rectal mucosa (Handelsman et al), 247
Endoscopy
Common channel syndrome—Diagnosis with endoscopic retrograde cholangiopancreatography and surgical management (Okada et al), 634
Endoscopic sphincterotomy for the treatment of biliary sump syndrome (Tanaka, Ikeda, Yoshimoto), 264
Vascular endoscopy for major vascular reconstruction: Experimental and clinical studies (Itoh and Hori), 391
Endotoxin
Effect of thermal injury on endotoxin-induced lung injury (Nerlich, Flynn, Demling), 289
Escherichia coli
Immunotherapeutic modification of *Escherichia coli*–induced experimental peritonitis and bacteremia by glucan (Williams, Browder, Di Luzio), 448
Metabolism of branched-chain amino acids in dogs with *Escherichia coli* endotoxin shock (Groves et al), 273
Plasma β-endorphin immunoreactivity in dogs during anesthesia, surgery, *Escherichia coli* sepsis, and naloxone therapy (Rees et al), 386
Esophageal antireflux prosthesis
Disruption and migration of an Angelchik esophageal antireflux prosthesis (Pickleman), 467
More misadventures with the esophageal collar (Condon), 477
Esophagitis
Role of bile salts and trypsin in the pathogenesis of experimental alkaline esophagitis (Salo and Kivilaakso), 525
Esophagus
Seven-year follow-up study after the replacement of the esophagus with an artificial esophagus in the dog (Fukushima et al), 70
Evaluation of student
Evaluation of the student: Improving validity of the oral examination (Stillman et al), 439
Experimentation
Human experimentation and the physician-patient relationship (Little), 600
Extracranial reconstruction
Cognitive improvement after extracranial reconstruction for the low flow–endangered brain (Jacobs et al), 683
Extremity fracture
Arterial injuries with lower extremity fracture (Flint and Richardson), 5

F

Fascia
Stabilization of ileostomy position with fascia (Handelsman and Fishbein), 88
Fat
Should intravenous protein and fat be administered? (Skillman), 469
Femoral graft
Autogenous graft replacement of infected prosthetic grafts in the femoral position (Seeger et al), 39
Femoropopliteal bypass
Femoropopliteal bypass: Preferred site for distal anastomosis (Rosenthal et al), 1
Femoropopliteal composite bypass grafts (letter) (Snyder et al), 729; Reply (LaSalle et al), 729
Fistula
Lateral duodenal fistulas (letter) (Pertkiewicz), 354
Left gastric arteriovenous fistula after selective distal splenorenal shunt (González et al), 510
Management of high recurrent and anal fistula (Oh), 330
Flow
Critical manipulable variables of hemispheric low flow during carotid surgery (String and Callahan), 46
Direction of flow in superficial veins as a guide to venous disorders in lower limbs (Tibbs and Fletcher), 758
Foot lesions
Factors associated with development of foot lesions in the diabetic (Delbridge, Appleberg, Reeve), 78
Fracture
Arterial injuries with lower extremity fracture (Flint and Richardson), 5

G

Gas bloat syndrome
Gas bloat syndrome (letter) (Ovnat, Peiser, Charuzi), 725
Gastric arteriovenous fistula
Left gastric arteriovenous fistula after selective distal splenorenal shunt (González et al), 510
Gastrin I
Hepatic uptake of synthetic human gastrin I (1-17) in humans (Tranberg, Hagander, von Schenck), 747
Gastroduodenal ulcer
Cimetidine and gastroduodenal ulceration (letter) (Hussey), 122

Gastrointestinal surgery
Quantifying beneficial effects of parenteral nutrition in patients undergoing gastrointestinal surgery (Wilmore), 475
Gastrostomy-jejunal feeding tube
Experience with a new gastrostomy-jejunal feeding tube (Rombeau et al), 574
Gentamicin
Double-blind comparison of metronidazole plus gentamicin and clindamycin plus gentamicin in intra-abdominal infection (Kirkpatrick et al), 215
Prospective, randomized comparison of metronidazole and clindamycin, each with gentamicin, for the treatment of serious intra-abdominal infection (Canadian Metronidazole-Clindamycin Study Group), 221
Glucan
Immunotherapeutic modification of *Escherichia coli*–induced experimental peritonitis and bacteremia by glucan (Williams, Browder, Di Luzio), 448
Graft
Effect of halothane anesthesia on platelet aggregation in vivo: Decreased deposition on polytetrafluoroethylene arterial grafts in dogs (Cambria), 752
Intimal hyperplasia and neointima: Ultrastructural analysis of thrombosed grafts in humans (Sottiurai et al), 809
Management of the occluded aortofemoral graft limb (LeGrand et al), 818
Graft infection
Synthetic vascular graft infections. I. Graft infections (Bunt), 733
Greenfield filter
Comparison of Greenfield filter and vena caval ligation for experimental septic thromboembolism (Peyton et al), 533
Gynecologic surgery
Metronidazole in the prophylaxis of anaerobic infections in gynecologic surgery (Popkins, Martinez, Carswell), 180

H

Halothane
Effect of halothane anesthesia on platelet aggregation in vivo: Decreased deposition on polytetrafluoroethylene arterial grafts in dogs (Cambria et al), 752
Hemipelvectomy
Emergency hemipelvectomy in the control of life-threatening complications (Malawer and Zielinski), 778
Hemodynamic evaluation
Hemodynamic assessment of venous problems (Pearce et al), 715
Hemodynamic evaluation of the aortoiliac system based on pharmacologic vasodilatation (Flanigan et al), 709
Hemoglobin
Mechanisms of the adjuvant effect of hemoglobin in experimental peritonitis. VI. Effects of stroma-free hemoglobin and red blood cell stroma on mortality and neutrophil function (Dunn et al), 653
Hemorrhage
Early detection of hemorrhagic hypovolemia by muscle oxygen pressure assessment: Preliminary report (van der Kleij et al), 518
Ruptured lumbar artery pseudoaneurysm: Unusual cause of retroperitoneal hemorrhage (Stewart, Barth, Williams), 592
Thyroid hormone responses in hemorrhagic shock: Study in dogs and preliminary findings in humans (Vitek et al), 768
Heparin
Effect of perioperative low-dose heparin administration on the course of colon cancer (Kohanna et al), 433
Embolectomy or heparin therapy for arterial emboli? (Gregg et al), 377
Hepatic uptake
Hepatic uptake of synthetic human gastrin I (1-17) in humans (Tranberg, Hagander, von Schenck), 747
Hernia
Congenital diaphragmatic hernia: Immediate preoperative and postoperative oxygen gradients identify patients requiring prolonged respiratory support (Manthei, Vaucher, Crowe), 83
Histology
Balloon embolectomy catheters in small arteries. IV. Correlation of shear forces with histologic injury (Jorgensen and Dobrin), 798
Hormone, thyroid
Thyroid hormone responses in hemorrhagic shock: Study in dogs and preliminary findings in humans (Vitek et al), 768
Host immunity
New approach to management of malignant ascites with a streptococcal preparation, OK-432. I. Improvement of host immunity and prolongation of survival (Torisu et al), 357
New approach to management of malignant ascites with a streptococcal preparation, OK-432. I. Intraperitoneal inflammatory cell-mediated tumor cell destruction (Katano and Torisu), 365
Hyperplasia, intimal
Intimal hyperplasia and neointima: Ultrastructural analysis of thrombosed grafts in humans (Sottiurai et al), 809
Hypertension
Unusual case of renal artery hypertension (Wright et al), 585
Hypovolemia
Early detection of hemorrhagic hypovolemia by muscle oxygen pressure assessment: Preliminary report (van der Kleij et al), 518
Hysterectomy
Double-blind trial of perioperative intravenous metronidazole prophylaxis for abdominal and vaginal hysterectomy (Vincelette et al), 185

I

Ileostomy
Stabilization of ileostomy position with fascia (Handelsman and Fishbein), 88
Iliac artery
Aneurysms of the internal iliac artery (Perdue et al), 243
Isolated iliac artery aneurysms (McCready et al), 688
Immune status
Correlation of immune and nutritional status with wound complications in patients undergoing vascular operations (Casey et al), 822
Immunoreactivity
Plasma β-endorphin immunoreactivity in dogs during anesthesia, surgery, *Escherichia coli* sepsis, and naloxone therapy (Rees et al), 386
Immunosuppression
Postburn immunosuppression in an animal model: Monocyte dysfunction induced by burned tissue (Hansbrough et al), 415
Immunotherapy
Immunotherapeutic modification of *Escherichia coli*–induced experimental peritonitis and bacteremia by glucan (Williams, Browder, Di Luzio), 448
Indium-111
Vessel wall and indium-111–labelled platelet response to carotid endarterectomy (Lusby et al), 424
Infection
See also Metronidazole
Synthetic vascular graft infections. I. Graft infections (Bunt), 733
Inferior vena cava
Transvenous interruption of the inferior vena cava (Gomez, Cutler, Wheeler), 612
Injury
Arterial injuries with lower extremity fracture (Flint and Richardson), 5
Insulinoma allografts
Transplantation of rat insulinoma allografts with cyclosporin A (Cance, Vervaert, Seigler), 279
Internal iliac artery
Aneurysms of the internal iliac artery (Perdue et al), 243
Internship
Academic surgical internship: Long-term follow-up (Mason), 560
Intestinal ischemia
Prevention of intestinal ischemia following abdominal aortic reconstruction (Ernst), 102
Intimal hyperplasia
Intimal hyperplasia and neointima: Ultrastructural analysis of thrombosed grafts in humans (Sottiurai et al), 809
Intra-abdominal infection
Double-blind comparison of metronidazole plus gentamicin and clindamycin plus gentamicin in intra-abdominal infection (Kirkpatrick et al), 215
Metronidazole in the treatment of intra-abdominal sepsis (Smith et al), 217
Prospective, randomized comparison of metronidazole and clindamycin, each with gentamicin, for the treatment of serious intra-abdominal infection (Canadian Metronidazole-Clindamycin Study Group), 221

Intraluminal shunting
Safe intraluminal shunting during carotid endarterectomy (Bandyk and Thiele), 260
Ischemia
Abdominal aortic surgery: Prevention of lower limb ischemia (Imparato), 112
Management of acute thromboembolic limb ischemia (McPhail et al), 381
Myocardial ischemia (Hertzer), 97
Prevention of intestinal ischemia following abdominal aortic reconstruction (Ernst), 102
Spinal cord ischemia in surgical procedures with temporary clamping of the abdominal aorta (Szilagyi), 110
Ischemic ulcer
Detrimental effect of high-dose prostaglandin E_1 in the treatment of ischemic ulcers (Rhodes and Heard), 839
Isoenzyme patterns
Pancreatitis and isoenzyme patterns of amylase (letter) (Collins and Spittlehouse), 845; Reply (Weaver, Bouman, Walt), 845

J

Jejunal feeding tube
Experience with a new gastrostomy-jejunal feeding tube (Rombeau et al), 574
Jejunostomy
Proximal diverting jejunostomy for compromised small bowel (Mulholland and Delaney), 443

K

Kidney
Cancer in cadaver kidney transplant patients (Birkeland), 504
Kidney size and outcome of reconstruction: Reply (letter) (Whitehouse et al), 121
Safe division of the renal vein with a solitary left kidney (Alexander, Zinman, Braasch), 598

L

Lesions, foot
Factors associated with development of foot lesions in the diabetic (Delbridge, Appleberg, Reeve), 78
Limb ischemia
Management of acute thromboembolic limb ischemia (McPhail et al), 381
Liver
Surgical experience with five hundred thirty liver transplants in the rat (Kamada and Calne), 64
Use of omentum for liver injuries (letter) (Pachter), 727; Reply (Olsen), 728
Lower limb
Abdominal aortic surgery: Prevention of lower limb ischemia (Imparato), 112
Direction of flow in superficial veins as a guide to venous disorders in lower limbs (Tibbs and Fletcher), 758
Lumbar artery pseudoaneurysm
Ruptured lumbar artery pseudoaneurysm: Unusual cause of retroperitoneal hemorrhage (Stewart, Barth, Williams), 592
Lumen area
Computerized multiplanar imaging and lumen area plotting for noninvasive diagnosis of carotid artery disease (Miles et al), 676
Lung injury
Effect of thermal injury on endotoxin-induced lung injury (Nerlich, Flynn, Demling), 289

M

Mastectomy
Use of sclerotherapy for postmastectomy wound seromas (Sitzmann, Dufresne, Zuidema), 345
Matas
Matas/Soubbotitch connection (Rich et al), 17
Media
Ultrastructure of human and transplanted canine veins: Effects of different preparation media (Sottiurai, Stanley, Fry), 28
Medicare
Medicare (letter) (Rhea), 845
Melanoma
Adjuvant therapy for melanoma (letter) (Sober et al), 726; Reply (Ariyan and Kirkwood), 726
Cutaneous malignant melanoma: Current views on pathogenesis, diagnosis, and surgical management (Adam and Efron), 481
Metastases
Asymptomatic metastases—To treat or not to treat? (Mueller), 328
Resolution of recurrent Verner-Morrison syndrome by resection of metastatic vipoma (Nagorney et al), 348
Metronidazole
Antibiotic prophylaxis in large bowel surgery: Results of a controlled clinical trial (Marti and Auckenthaler), 190
Antimicrobial prophylaxis in surgery (Ronald), 172
Biologic activity of metronidazole in plasma and urine of volunteers with normal or impaired renal function (Turgeon et al), 154
Double-blind comparison of metronidazole plus gentamicin and clindamycin plus gentamicin in intra-abdominal infection (Kirkpatrick et al), 215
Double-blind trial of perioperative intravenous metronidazole prophylaxis for abdominal and vaginal hysterectomy (Vincelette et al), 185
Early selection of an antibiotic in anaerobic infections (Péchère and Delisle), 134
Epidemiology of anaerobic infections (Hnatko), 125
Human pharmacokinetics and toxicity of high-dose metronidazole administered orally and intravenously (Urtasun, Rabin, Partington), 145
Metronidazole kinetics in dialysis patients (Kreeft, Ogilvie, Dufresne), 149
Metronidazole in the prevention of anaerobic infection (Willis and Fiddian), 174
Metronidazole as a prophylactic agent in wound infection after colon surgery (Hinchey, Richards, Prentis), 197
Metronidazole in the prophylaxis of anaerobic infections in gynecologic surgery (Popkins, Martinez, Carswell), 180
Metronidazole in the treatment of intra-abdominal sepsis (Smith et al), 217
Metronidazole in the treatment of surgical infections (Stone), 230
Mode of action of metronidazole on anaerobic bacteria and protozoa (Müller), 165
North American Metronidazole Symposium: Introduction (Finegold), 123
Prophylactic antibiotics in elective colon surgery (Bell, Smith, Murphy), 204
Prophylactic metronidazole in appendectomy: A double-blind controlled trial (Keiser et al), 201
Prospective, randomized comparison of metronidazole and clindamycin, each with gentamicin, for the treatment of serious intra-abdominal infection (Canadian Metronidazole-Clindamycin Study Group), 221
Therapeutic use of metronidazole in anaerobic infection: Six years' experience in a London hospital (Eykyn), 209
Toxicologic evaluation of metronidazole with particular reference to carcinogenic, mutagenic, and teratogenic potential (Roe), 158
Midwestern Vascular Surgical Society
Presidential address: Noninvasive testing of vascular disease—Fact, fancy, and future (Sumner), 664
Monocyte dysfunction
Postburn immunosuppression in an animal model: Monocyte dysfunction induced by burned tissue (Hansbrough et al), 415
Muscle
Early detection of hemorrhagic hypovolemia by muscle oxygen pressure assessment: Preliminary report (van der Kleij et al), 518
Excision of quadriceps muscle group (Sugarbaker and Lampert), 462
Mutagenicity
Toxicologic evaluation of metronidazole with particular reference to carcinogenic, mutagenic, and teratogenic potential (Roe), 158
Myeloma
Renal transplantation in a patient with multiple myeloma and light chain nephropathy (Briefel et al), 579
Myocardial temperature
Cardiac cryosurgery: Effects of myocardial temperature on cryolesion size (Holman et al), 268

N

Naloxone
Plasma β-endorphin immunoreactivity in dogs during anesthesia, surgery, *Escherichia coli* sepsis, and naloxone therapy (Rees et al), 386

Neck masses
Diagnosis and treatment of midline neck masses in children (Knight, Hamoudi, Vassy), 603
Neointima
Intimal hyperplasia and neointima: Ultrastructural analysis of thrombosed grafts in humans (Sottiurai et al), 809
Nephropathy, light chain
Renal transplantation in a patient with multiple myeloma and light chain nephropathy (Briefel et al), 579
Neutrophil
Mechanisms of the adjuvant effect of hemoglobin in experimental peritonitis. VI. Effects of stroma-free hemoglobin and red blood cell stroma on mortality and neutrophil function (Dunn et al), 653
Noninvasive testing
Computerized multiplanar imaging and lumen area plotting for noninvasive diagnosis of carotid artery disease (Miles et al), 676
Presidential address: Noninvasive testing of vascular disease—Fact, fancy, and future (Sumner), 664
Nutrition
Catheter-related sepsis during parenteral nutrition (letter) (Sitges-Serra, Puig, Jaurrieta), 479
Correlation of immune and nutritional status with wound complications in patients undergoing vascular operations (Casey et al), 822
Nutritional support study technique (letter) (Hall), 479; Reply (Kirkpatrick), 480
Quantifying beneficial effects of parenteral nutrition in patients undergoing gastrointestinal surgery (Wilmore), 475

O

OK-432
New approach to management of malignant ascites with a streptococcal preparation, OK-432. I. Improvement of host immunity and prolongation of survival (Torisu et al), 357
New approach to management of malignant ascites with a streptococcal preparation, OK-432. II. Intraperitoneal inflammatory cell-mediated tumor cell destruction (Katano and Torisu), 365
Omentum
Use of omentum for liver injuries (letter) (Pachter), 727; Reply (Olsen), 728
Oriental cholangiohepatitis
Recurrent oriental cholangiohepatitis (Turner and Cramer), 397
Osmotic pressure
Short-term effects of increasing plasma colloid osmotic pressure in patients with noncardiac pulmonary edema (Sibbald et al), 602

P

Pancreas
Arterial blood supply of the left lobe of the canine pancreas. I. Anatomic variations relevant to segmental transplantation (van Schilfgaarde et al), 545
Arterial blood supply of the left lobe of the canine pancreas. II. Electromagnetic flow measurements (Gooszen, van Schilfgaarde, Terpstra), 549
Pancreatitis
Common bile duct complications of pancreatitis: Evaluation and treatment (Gadacz et al), 235
Pancreatitis and isoenzyme patterns of amylase (letter) (Collins and Spittlehouse), 845; Reply (Weaver, Bouman, Walt), 845
Parathyroid hyperplasia
Generalized primary parathyroid hyperplasia: Studies of the evolution of autogenous parathyroid graft function (Mallette et al), 254
Parenteral nutrition
Catheter-related sepsis during parenteral nutrition (letter) (Sitges-Serra, Puig, Jaurrieta), 479
Quantifying beneficial effects of parenteral nutrition in patients undergoing gastrointestinal surgery (Wilmore), 475
Penicillin
Protection from postsplenectomy sepsis: Effect of prophylactic penicillin and pneumococcal vaccine on clearance of type 3 *Pneumococcus* (Scher, Wroczynski, Jones), 792
Pericardium
Traumatic rupture of the pericardium (Clark et al), 495
Peritoneovenous shunt
Subcutaneous cancer growth complicating peritoneovenous shunting of malignant ascites (Berger and Goldberg), 374
Peritonitis
Immunotherapeutic modification of *Escherichia coli*–induced experimental peritonitis and bacteremia by glucan (Williams, Browder, Di Luzio), 448
Meaning of research in experimental peritonitis (Dunn and Simmons), 471
Mechanisms of the adjuvant effect of hemoglobin in experimental peritonitis. VI. Effects of stroma-free hemoglobin and red blood cell stroma on mortality and neutrophil function (Dunn et al), 653
Pharmacokinetics
Human pharmacokinetics and toxicity of high-dose metronidazole administered orally and intravenously (Urtasun, Rabin, Partington), 145
Pharmacologic vasodilatation
Hemodynamic evaluation of the aortoiliac system based on pharmacologic vasodilatation (Flanigan et al), 709
Physician-patient relationship
Human experimentation and the physician-patient relationship (Little), 600
Plasma
Plasma β-endorphin immunoreactivity in dogs during anesthesia, surgery, *Escherichia coli* sepsis, and naloxone therapy (Rees et al), 386
Short-term effects of increasing plasma colloid osmotic pressure in patients with noncardiac pulmonary edema (Sibbald et al), 620
Platelets
Effect of halothane anesthesia on platelet aggregation in vivo: Decreased deposition on polytetrafluoroethylene arterial grafts in dogs (Cambria et al), 752
Modulation of cardiovascular function and platelet survival by endogenous prostacyclin released during surgery (Krausz et al), 554
Vessel wall and indium-111–labelled platelet response to carotid endarterectomy (Lusby et al), 424
Pneumococcal vaccine
Protection from postsplenectomy sepsis: Effect of prophylactic penicillin and pneumococcal vaccine on clearance of type 3 *Pneumococcus* (Scher, Wroczynski, Jones), 792
Polytetrafluoroethylene graft
Effect of halothane anesthesia on platelet aggregation in vivo: Decreased deposition on polytetrafluoroethylene arterial grafts in dogs (Cambria et al), 752
Popliteal artery
Limb-threatening potential of arteriosclerotic popliteal artery aneurysms (Whitehouse et al), 694
Popliteal injury (letter) (Abernathy), 122
When can revascularization be limited to the isolated popliteal artery? (letter) (Watelet et al), 725
Portal blood flow
Somatostatin-induced cholestasis can be independent of portal blood flow (Kortz et al), 649
Prostacyclin
Modulation of cardiovascular function and platelet survival by endogenouos prostacyclin released during surgery (Krausz et al), 554
Prostaglandins
Detrimental effect of high-dose prostaglandin E_1 in the treatment of ischemic ulcers (Rhodes and Heard), 839
Prostaglandins and cardiovascular disease—Review (Jacobsen), 564
Prostheses
Autogenous graft replacement of infected prosthetic grafts in the femoral position (Seeger et al), 39
Disruption and migration of an Angelchik esophageal antireflux prosthesis (Pickleman), 467
Protein
Should intravenous protein and fat be administered? (Skillman), 469
Protozoa
Mode of action of metronidazole on anaerobic bacteria and protozoa (Müller), 165
Pseudoaneurysm
Ruptured lumbar artery pseudoaneurysm: Unusual cause of retroperitoneal hemorrhage (Stewart, Barth, Williams), 592
Pulmonary edema
Short-term effects of increasing plasma colloid osmotic pressure in patients with noncardiac pulmonary edema (Sibbald et al), 620

Q

Quadriceps muscle
Excision of quadriceps muscle group (Sugarbaker and Lampert), 462

R

Radiation
Radiation-induced arterial injuries (McCready et al), 306
Recruiting
Recruiting (Bennett), 843
Rectum
Adenocarcinoma of the colon and rectum in the adolescent (Goldthorn, Powars, Hays), 409
Endorectal pull-through operation in adults after colectomy and excision of rectal mucosa (Handelsman et al), 247
Renal artery hypertension
Unusual case of renal artery hypertension (Wright et al), 565
Renal function
Biologic activity of metronidazole in plasma and urine of volunteers with normal or impaired renal function (Turgeon et al), 154
Renal failure following abdominal aortic reconstruction (Bush), 107
Renal transplantation
Renal transplantation in a patient with multiple myeloma and light chain nephropathy (Briefel et al), 579
Renal vein
Safe division of the renal vein with a solitary left kidney (Alexander, Zinman, Braasch), 598
Respiratory support
Congenital diaphragmatic hernia: Immediate preoperative and postoperative oxygen gradients identify patients requiring prolonged respiratory support (Manthei, Vaucher, Crowe), 83
Retroperitoneal hemorrhage
Ruptured lumbar artery pseudoaneurysm: Unusual cause of retroperitoneal hemorrhage (Stewart, Barth, Williams), 592
Revascularization
When can revascularization be limited to the isolated popliteal artery? (letter) (Watelet et al), 725
Rubber gloves, surgical
Use of surgical rubber gloves (letter) (Walter), 728; Reply (Miller), 729

S

Salicylate
Effects of bile acid and salicylate on isolated surface and glandular cells of rabbit stomach (Tanaka and Fromm), 660
Sclerotherapy
Use of sclerotherapy for treatment of postmastectomy wound seromas (Sitzmann, Dufresne, Zuidema), 345
Sepsis
Catheter-related sepsis during parenteral nutrition (letter) (Sitges-Serra, Puig, Jaurrieta), 479
Metronidazole in the treatment of intra-abdominal sepsis (Smith et al), 217
Protection from postsplenectomy sepsis: Effect of prophylactic penicillin and pneumococcal vaccine on clearance of type 3 *Pneumococcus* (Scher, Wroczynski, Jones), 792
Seromas
Use of sclerotherapy for treatment of postmastectomy wound seromas (Sitzmann, Dufresne, Zuidema), 345
Shock
Metabolism of branched-chain amino acids in dogs with *Escherichia coli* endotoxin shock (Groves et al), 273
Thyroid hormone responses in hemorrhagic shock: Study in dogs and preliminary findings in humans (Vitek et al), 768
Shunt
Left gastric arteriovenous fistula after selective distal splenorenal shunt (González et al), 510
Subcutaneous cancer growth complicating peritoneovenous shunting of malignant ascites (Berger and Goldberg), 374
Somatostatin
Somatostatin-induced cholestasis can be independent of portal blood flow (Kortz et al), 649
Soubbotitch
Matas/Soubbotitch connection (Rich et al), 17
Sphincter
Endoscopic sphincterotomy for the treatment of biliary sump syndrome (Tanaka, Ikeda, Yoshimoto), 264
Sphincter, contd.
Sphincter incompetence caused by common bile duct stones (Lary and Meier), 538
Spinal cord ischemia
Spinal cord ischemia in surgical procedures with temporary clamping of the abdominal aorta (Szilagyi), 110
Splenectomy
Protection from postsplenectomy sepsis: Effect of prophylactic penicillin and pneumococcal vaccine on clearance of type 3 *Pneumococcus* (Scher, Wroczynski, Jones), 792
Splenic artery
Ruptured actinomycotic aneurysm of the splenic artery: Case report of successful resection (Kakkasseril, Cabanas, Saba), 595
Splenorenal shunt
Left gastric arteriovenous fistula after selective distal splenorenal shunt (González et al), 510
Streptococcal preparation, OK-432
New approach to management of malignant ascites with a streptococcal preparation, OK-432. I. Improvement of host immunity and prolongation of survival (Torisu et al), 357
New approach to management of malignant ascites with a streptococcal preparation, OK-432. II. Intraperitoneal inflammatory cell-mediated tumor cell destruction (Katano and Torisu), 365
Streptokinase
Response of an abdominal aortic thrombotic occlusion to local low-dose streptokinase therapy (Cunningham et al), 541
Selective infusion of streptokinase for arterial thrombosis (Rush et al), 828
Stroma
Mechanisms of the adjuvant effect of hemoglobin in experimental peritonitis. VI. Effects of stroma-free hemoglobin and red blood cell stroma on mortality and neutrophil function (Dunn et al), 653
Student
Evaluation of the student: Improving validity of the oral examination (Stillman et al), 439
Surgical rubber gloves
Use of surgical rubber gloves (letter) (Walter), 728; Reply (Miller), 729
Synthetic meshes
Comparative evaluation of synthetic meshes used for abdominal wall replacement (Lamb, Vitale, Kaminski), 643

T

Teratogenicity
Toxicologic evaluation of metronidazole with particular reference to carcinogenic, mutagenic, and teratogenic potential (Roe), 158
Thermal injury
Effect of thermal injury on endotoxin-induced lung injury (Nerlich, Flynn, Demling), 289
Thermogenesis
Catecholamine excretion and thermogenesis: Reply (letter) (Elwyn et al), 121
Thromboembolism
Comparison of Greenfield filter and vena caval ligation for experimental septic thromboembolism (Peyton et al), 533
Management of acute thromboembolic limb ischemia (McPhail et al), 381
Selective triphasic prevention of thromboembolism (de Takats), 326
Thrombosis
Intimal hyperplasia and neointima: Ultrastructural analysis of thrombosed grafts in humans (Sottiurai et al), 809
Response of an abdominal aortic thrombotic occlusion to local low-dose streptokinase therapy (Cunningham et al), 541
Selective infusion of streptokinase for arterial thrombosis (Rush et al), 828
Thyroid hormone
Thyroid hormone responses in hemorrhagic shock: Study in dogs and preliminary findings in humans (Vitek et al), 768
Toe
Blue toe syndrome—Warning sign of unsuspected vascular injury (Roon and Sauvage), 722
Toxicologic evaluation
Toxicologic evaluation of metronidazole with particular reference to carcinogenic, mutagenic, and teratogenic potential (Roe), 158

Training programs
Evaluation of training programs in vascular surgery, 117
Training programs in vascular surgery (letter) (Humphreys), 730
Transplant
Arterial blood supply of the left lobe of the canine pancreas. I. Anatomic variations relevant to segmental transplantation (van Schilfgaarde et al), 545
Cancer in cadaver kidney transplant patients (Birkeland), 504
Surgical experience with five hundred thirty liver transplants in the rat (Kamada and Calne), 64
Trauma
Blue toe syndrome—Warning sign of unsuspected vascular injury (Roon and Sauvage), 722
Traumatic rupture of the pericardium (Clark et al), 495
Treadmill testing
Treadmill testing for peripheral vascular disease (letter) (LeMaitre), 355
Trypsin
Role of bile salts and trypsin in the pathogenesis of experimental alkaline esophagitis (Salo and Kivilaakso), 525
Tumor cell destruction
New approach to management of malignant ascites with a streptococcal preparation, OK-432. II. Intraperitoneal inflammatory cell-mediated tumor cell destruction (Katano and Torisu), 365

U

Ulcer
Cimetidine and gastroduodenal ulceration (letter) (Hussey), 122
Detrimental effect of high-dose prostaglandin E_1 in the treatment of ischemic ulcers (Rhodes and Heard), 839
Ultrastructure
Intimal hyperplasia and neointima: Ultrastructural analysis of thrombosed grafts in humans (Sottiurai et al), 809
Ultrastructure of human and transplanted canine veins: Effects of different preparation media (Sottiurai, Stanley, Fry), 28

V

Vaginal hysterectomy
Double-blind trial of perioperative intravenous metronidazole prophylaxis for abdominal and vaginal hysterectomy (Vincelette et al), 185
Vagotomy
Correlation of release and actions of cholecystokinin in dogs before and after vagotomy (Fried et al), 786
Vascular access
Method for vascular access in small children (Hiatt and Busuttil), 343
Vascular disease
Presidential address: Noninvasive testing of vascular disease—Fact, fancy, and future (Sumner), 664
Treadmill testing for peripheral vascular disease (letter) (LeMaitre), 355
Vascular endoscopy
Vascular endoscopy for major vascular reconstruction: Experimental and clinical studies (Itoh and Hori), 391
Vascular injury
Blue toe syndrome—Warning sign of unsuspected vascular injury (Roon and Sauvage), 722
Vascular operation
Correlation of immune and nutritional status with wound complications in patients undergoing vascular operations (Casey et al), 822
Employment following peripheral vascular surgery: Increasingly critical issue (Glickman et al), 50
Vascular surgery
Evaluation of training programs in vascular surgery, 117
Training programs in vascular surgery (letter) (Humphreys), 730
Vasodilatation
Hemodynamic evaluation of the aortoiliac system based on pharmacologic vasodilatation (Flanigan et al), 709
Vein ultrastructure
Ultrastructure of human and transplanted canine veins: Effects of different preparation media (Sottiurai, Stanley, Fry), 28
Vena cava
Comparison of Greenfield filter and vena caval ligation for experimental septic thromboembolism (Peyton et al), 533
Transvenous interruption of the inferior vena cava (Gomez, Cutler, Wheeler), 612
Venous disorders
Direction of flow in superficial veins as a guide to venous disorders in lower limbs (Tibbs and Fletcher), 758
Hemodynamic assessment of venous problems (Pearce et al), 715
Verner-Morrison syndrome
Resolution of recurrent Verner-Morrison syndrome by resection of metastatic vipoma (Nagorney et al), 348
Vertebral artery
Surgical reconstruction of the vertebral artery (Berguer and Feldman), 670
Vessel wall
Vessel wall and indium-111–labelled platelet response to carotid endarterectomy (Lusby et al), 424
Vipomas
Resolution of recurrent Verner-Morrison syndrome by resection of metastatic vipoma (Nagorney et al), 348

W

Wounds
Correlation of immune and nutritional status with wound complications in patients undergoing vascular operations (Casey et al), 822
Metronidazole as a prophylactic agent in wound infection after colon surgery (Hinchey, Richards, Prentis), 197
Wylie
Edwin Jack Wylie (Stoney), 731
